CHULA VISTA CENTER MAJOR INFLUENCES

Hub of the World's Busiest Land Border Crossing

The San Ysidro Land Port of Entry (LPOE), connecting Tijuana and San Diego, is recognized as the world's busiest land border crossing based on annual traffic volume. Each year, over 50 million people cross the border, including more than 90,000 daily commuters and over 60,000 Tijuana residents employed in San Diego. On average, the LPOE handles 70,000 northbound vehicle passengers per day.

- 7.9 miles from Chula Vista Center
- Tijuana customers are a heavy impact to retail sales
- Apparel sales in the region are unusually strong

Chula Vista Bayfront Redevelopment

With breathtaking bay views and spanning approximately 535 acres of prime waterfront near downtown San Diego, the Chula Vista Bayfront Redevelopment Plan is a transformative project set to redefine the region. This ambitious development features a dynamic mix of hotels, residential communities, retail spaces, and public parks, expected to generate thousands of jobs and draw millions of visitors each year. With an estimated investment exceeding \$1 billion, the project reflects a bold vision for Chula Vista’s bayfront, driving economic growth and elevating the area’s appeal.
